Paper Lantern

Materials Required:

1. Rectangular sheets of construction paper of two colors (two of each color)
2. Scissors
3. Pencil
4. Ruler
5. Stapler
6. Tissue papers
7. A stripe of construction paper to form hanging (or ribbon)

Steps

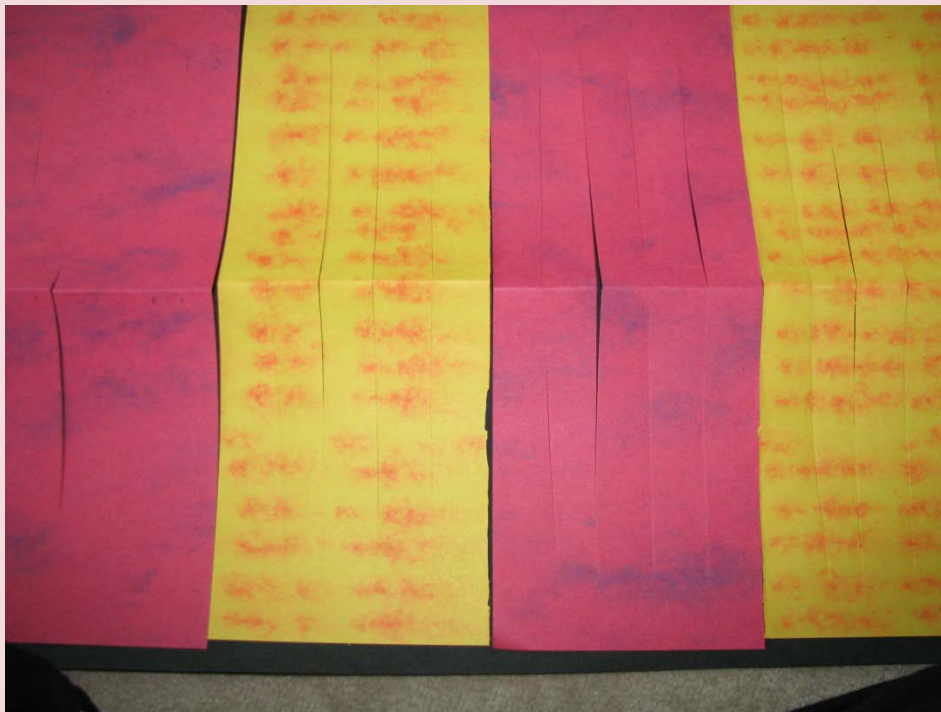

1. Fold the rectangular sheet into half as shown

2. Using pencil and ruler mark equi-distant lines and cut on these lines leaving 1" as shown

3. Do this for all the sheets and open them.

4. Now staple the 4 sheets together to form lantern. For this staple at corners and 1" inch from corner by placing sheets on top of each other.

5. Cut out small strips from tissue paper and stick them to the bottom of above lantern.
6. Staple a thin rectangular strip on a side of lantern to form the hanging loop.

Tips:

You can use different kind of papers and make them in different sizes.
