Paper Plate Cow

Materials Required:

1. Dinner sized paper plate
2. One small paper plate
3. Pink construction paper
4. Black foam pieces
5. Black marker
6. Glue
7. Scissors

Steps

1. Glue the small plate on top of big plate letting the smaller plate hanging out as shown

2. Cut out random shape pieces from black foam to form spots on cow's body and glue them on big plate as shown

3. Cut out ears and mouth from pink construction paper and glue them.
4. Draw cow's eyes, nostrils and mouth using black marker.
5. Cut out tail from black foam and glue it to body of cow.

Tips:

You can use black pipeliner to form tail of cow and punch a hole to put the tail. This will help you to hang your cow anywhere.
