## Square Envelope

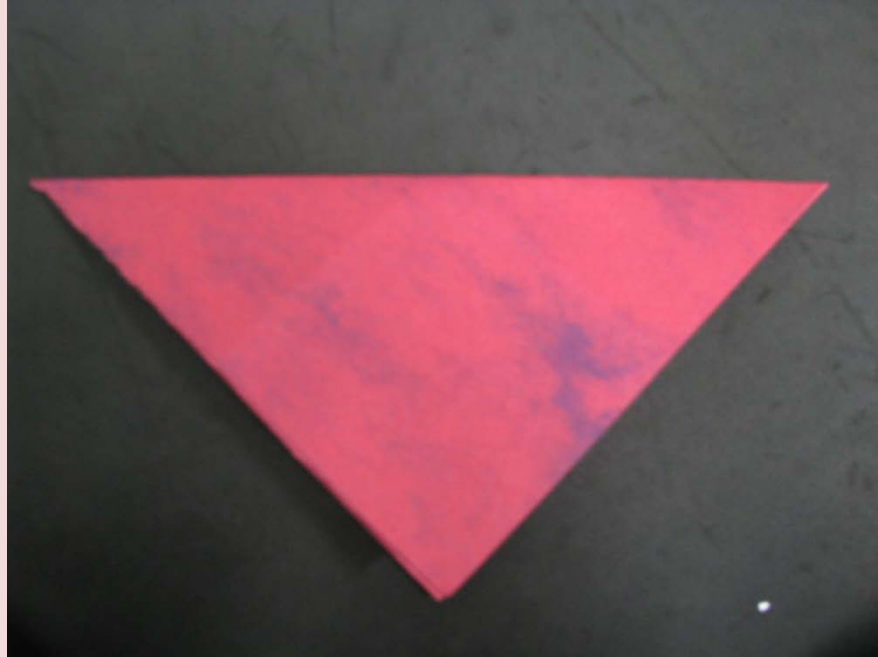

### Materials Required:

1. Square sheet of 9"x 9" paper
2. Ruler
3. Scissors
4. Pencil
5. Glue

## Steps

1. Fold the square in triangle and crease it

2. From the creased line and center of paper mark two points (or lines) at one inch on either side as shown.

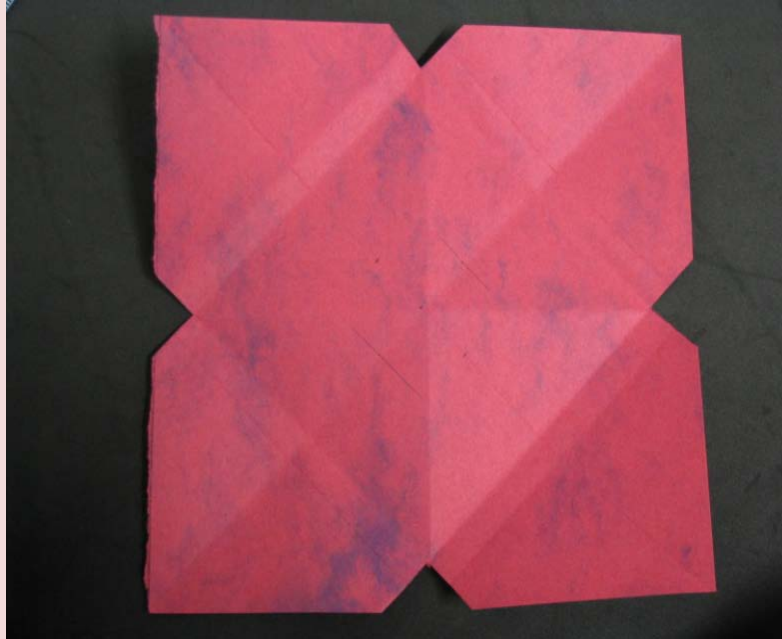

3. Bring the edge of paper across this middle creased line to the point near other edge. Repeat for other edge of paper as shown.

4. Now, open the paper again and fold it in triangle in other direction and repeat above steps.
5. Open the paper and you will have 4 small overlapping triangles as marked.

6. Cut these small triangles using scissors

7. Glue the side triangles and then glue the bottom triangle on top of these side triangles.
8. The fourth side acts as flap of your envelope. You can round up the flap using scissors.
