

Devotional Practices-Obeisances

Why do we offer obeisances?

1. Humility:

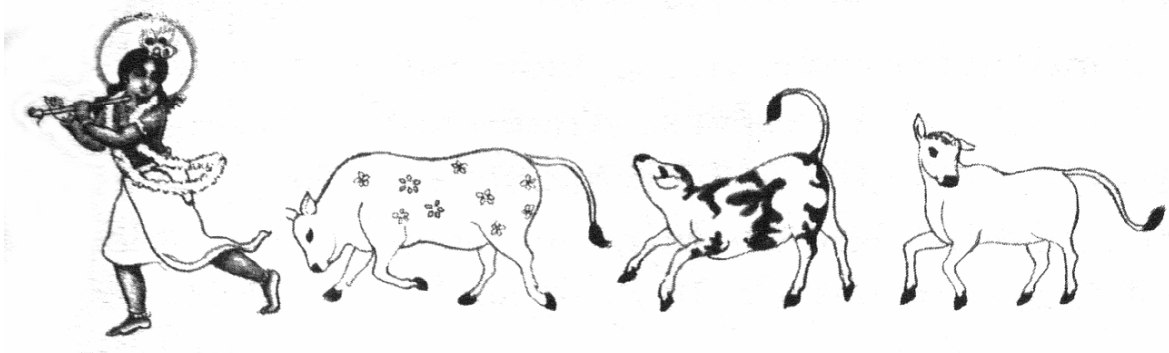

Krishna is the Supreme Personality of Godhead. He is the Supreme Creator and our Supreme father. We are His eternal devotees. Everything in this world is provided by Him. Thus we need to become humble and accept His Supremacy.

2. Respect:

Just as we respect our parents and elders, similarly we should offer our respect to the eldest of all persons: the Supreme Personality of Godhead. In the Vedic tradition the best way to pay respect is by offering obeisances.

3. Devotional Service:

Offering obeisances is an important part of devotional service by which the devotee confirms his attitude of submission.
