

How to play “colour and play dasa avatar board”

For this game you will need

- 1 coin or marker for each player
- 2 or 1 dice

The game can be played by 2 to 10 players. Each player selects an avatar. The dice(s) are used to indicate the movement of the players.

The board can be coloured to make them unique by the players.

1. The coin/marker starts from the  marker of each avatar. It travels anti-clockwise direction till it returns to its own avatar.
2. The aim of the game is to take the coin/marker around the board and back home (avatar) without getting captured and before anyone else.

3. Except in , a coin/marker can be captured by the opponent. This is done by landing on the same square with an exact throw of the dice(s)
4. The captured coin/marker returns back to its original avatar home to start again.
